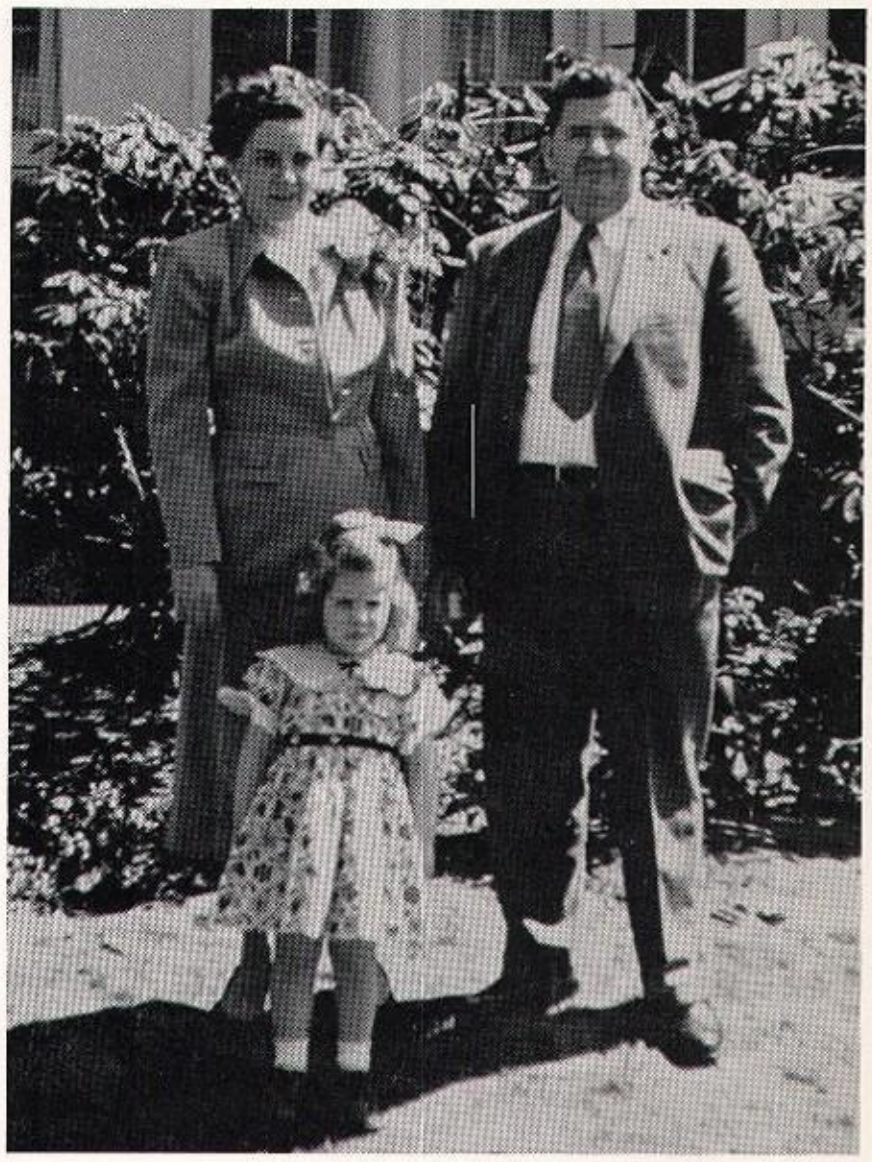
Is the test that bad, Mr. Kelly?

We didn't know you liked to swim, Mr. Kelly.

You aren't facing defeat are you, Mr. Kelly?



Mr. Kelly poses with his wife and daughter, Nancy.

We Honor

Throughout our high school years we have encountered many personalities who have helped mold our lives and whom we will never forget. Foremost in many of our memories, however, will be one who has guided and advised us throughout our last year at H.F.H.S. He has instilled in us all a sense of responsibility, integrity, and given us a desire to take an intelligent part in world affairs. In addition he has spent many hours as our class advisor helping us reach the many decisions we have been faced with before entering the world as adults.

For all this, Mr. Kelly, we dedicate the 1960 HERMES to you as a small tribute of our appreciation.

One of the things most familiar to all of us at H.F.H.S. is the Hudson River along whose banks our town was established. Because it is so familiar to us, we have chosen it as the theme of our 1960 HERMES and characterized it as the Stream of Knowledge.

Lake Tear of the Clouds, the beginning of the river, high in the Adirondacks symbolizes our class at the start of our freshman year four years ago. During these four years, we moved down the river guided by the willing faculty. As the river widens so does our knowledge until at last we reach the mouth of the river and the end of our high school education. Now, as we leave the mouth of the river and enter the ocean of adult life, we look back on our trip as the most worthwhile venture of our lives.

Seniors

Now we are seniors. We have followed the river of life as far as the current will carry us. As we approach the mouth of the river we pause to look around us. When we gaze at the past we see the hard work, a few disappointments and all the good times we had in our four years at Hudson Falls High School. When we look ahead to the future we find that an ocean of opportunity awaits us.

As June 1960 grows nearer, we all find ourselves reviewing the happy memories and accomplishments of our four years in high school. Although we will be graduating soon, we feel that we should share this, our past, with others.

In September of '56 we took our places in the student body as the freshman class. It wasn't long before we acquired fame throughout the halls as the "roamers." An important task was soon put before us—election of class officers. Capable, responsible leaders were chosen to guide us through our first year in high school. Melanie Bromley proved to be an excellent president as did Natalie LaPoint, vice-president; Bob Carpenter, secretary; and Bob Pratt, treasurer. The officers along with several committees organized our Freshman Frolic which was enjoyed by many upperclassmen as well as the freshmen. The election of Student Council put Terry Turner in the spotlight as treasurer.

Having had a year of experience, we entered our sophomore year a little less frightened. We again elected competent officers: Jeff Bogart, president; Ann Butterfield, vice-president; Pat Bailey, secretary; and Bob Carpenter, treasurer. In keeping with the tradition of the school we presented the "Soph Hop." We were allowed to hold this big event in the new gym which was decorated to the theme of "Around the World in Eighty Days." Music was provided by the "Stompers." Student Council elections again drew near and Terry Turner was once more elected—this time as secretary.

Our Junior year meant more activities and work for us. This didn't worry us, however, because we had responsible leaders. We elected Linda McKernon to represent our class as president, Terry Turner was our vice-president, Joanne Perkins became our secretary, and Bob Van Aernem filled the treasurer's position. We hold the honor of being the first class to change the class rings since 1949. Our prom proved a big success and brought the largest attendance of any preceding prom. The highlight of the evening was the crowning of Ann Butterfield and Evan Neff as king and queen. Bob Carpenter represented us as vice-president of Student Council, Evan Neff attended Boys' State and Mike Peterson represented our school at the United Nations Pilgrimage.

Nearing the end of our journey through high school we now find ourselves as stately seniors. Our president, Evan Neff; vice-president, Linda McKernon; secretary, Dave Barber; and treasurer, Pat Blinn, have been efficient responsible leaders of our class. Under their capable leadership, we presented the Senior Ball. Joanne Perkins was chosen to receive the DAR Award while Bill Butterfield filled the all-important position as president of Student Council. We feel that our four years at H.F.H.S. have been profitable ones filled with many lasting memories.

JUNIOR CLASS HISTORY

Eagerly we entered our freshman year. Our first duty was to elect the treasurer of Student Council; Jim Carpenter was our choice. The class was guided by its officers under the leadership of the president, Dottie Johnson.

"From Me to You" was the theme of the Frosh Frolic held in February at the Margaret Murphy School. Cupid and heart decorations accented the theme of the dance which still brings pleasant memories to all who attended.

Liz Haskins won a plaque in a national essay contest, and Marsha Jones represented us in two productions of the Dramatics Club. The Class of '61 was respected for its spirit and participation in all activities.

On Moving-Up Day, Carolyn Finger led us in a spirited rendition of "Sugartime" as the class assumed its new status as sophomores.

Ben Baudin headed the class as president, and Jim Carpenter was elected secretary of Student Council.

The Class of '61 once more exhibited its dynamic personality by gaining prominence in the scholastic, athletic, and social fields.

The Soph Hop was held at the Junior-Senior High School. Fairy tale characters and settings highlighted the mystical, magical qualities of "Dreamland," our theme. While "visions of sugar plums danced in our heads," we mistily dreamed of our Junior Year.

As juniors we were privileged to select our own Committee of Ten. For the third consecutive year, Jim Carpenter was elected to Student Council this time as vice-president. The class offices went to Ben Baudin, president; Jim Michelucci, vice-president; Paul Chapman, secretary; and Barb Lemery, treasurer.

This was the year to show our mettle! Sports, music, majorettes, and cheerleading became our exclusive domain. We were now pressing the Senior Class for scholastic honors.

What finer way to end a glorious year than a successful Junior Prom? The Month of May is best remembered as the Month the Junior Class "came of age"; our dance is only an indication of what to expect of us when we become seniors.

Scholarship and maturity are our goals as we anxiously await our senior year.

SOPHOMORE CLASS HISTORY

Full of energy and expectation we entered high school in the fall of 1958 as pea green freshmen. Because we were in high school, all our work was fun. The first thing we did was elect George Van Aernam treasurer of Student Council. Our hard working class officers were led by Judy Taylor, president.

The first big event of the year was our Freshman Frolic held October 24 in the Margaret Murphy School. The theme, "Autumn Silhouettes," was carried out in decorations of autumn leaves, flowers, and dancing silhouettes. The dance proved successful, and everyone had fun.

Mary Ann Cardinal was chosen actress of the year, and Synthia Woodcock won first prize in a national essay contest.

Moving-Up Day always highlights the end of the school year. On this day our class took top honors; our banner was chosen as the "best."

Getting off on the right foot for our second year we elected Judy Taylor, president; Sam Wicks, vice-president; Peter Patten, secretary; and Barbara Maxon, treasurer.

The theme of the soph hop was "Deep Purple." The decorations included a huge white heart with purple streamers which was suspended from the ceiling. Lavender lights were played upon the heart to further accent the theme. The beautiful setting and pleasant music made the dance a success.

Several members of the class play varsity sports with distinction.

We are looking forward to the next two years in high school in the hope that they will be as wonderful as the first two.

Freshmen

Buzzy Giles
Pam Newton
Karen Sheldon
Eliza Giles

On September 1959 we started our freshman year. Since we had spent our eighth grade year here, we were already acquainted with the school; but we had much to learn.

Full of pep and enthusiasm we started out by electing class officers: Buzzy Giles, president; Eliza Giles, vice-president; Pan Newton, secretary; and Karen Sheldon, treasurer; Jimmy Powhida represented the class as treasurer of Student Council.

Our officers began working hard, and on October 23rd we presented our dance, "The Pumpkin Prance." We decorated the gym of the Margaret Murphy School with black cats, witches, colored balloons, corn stalks, and pumpkins to carry out our theme. Mrs. Sonn, our advisor, helped us make this a most successful event. Many upper classmen as well as freshmen were present.

Various members of our class have participated in sports, music organizations, dramatics, and other activities.

We sincerely hope that the rest our high school years will be as enjoyable and educational as our first one.

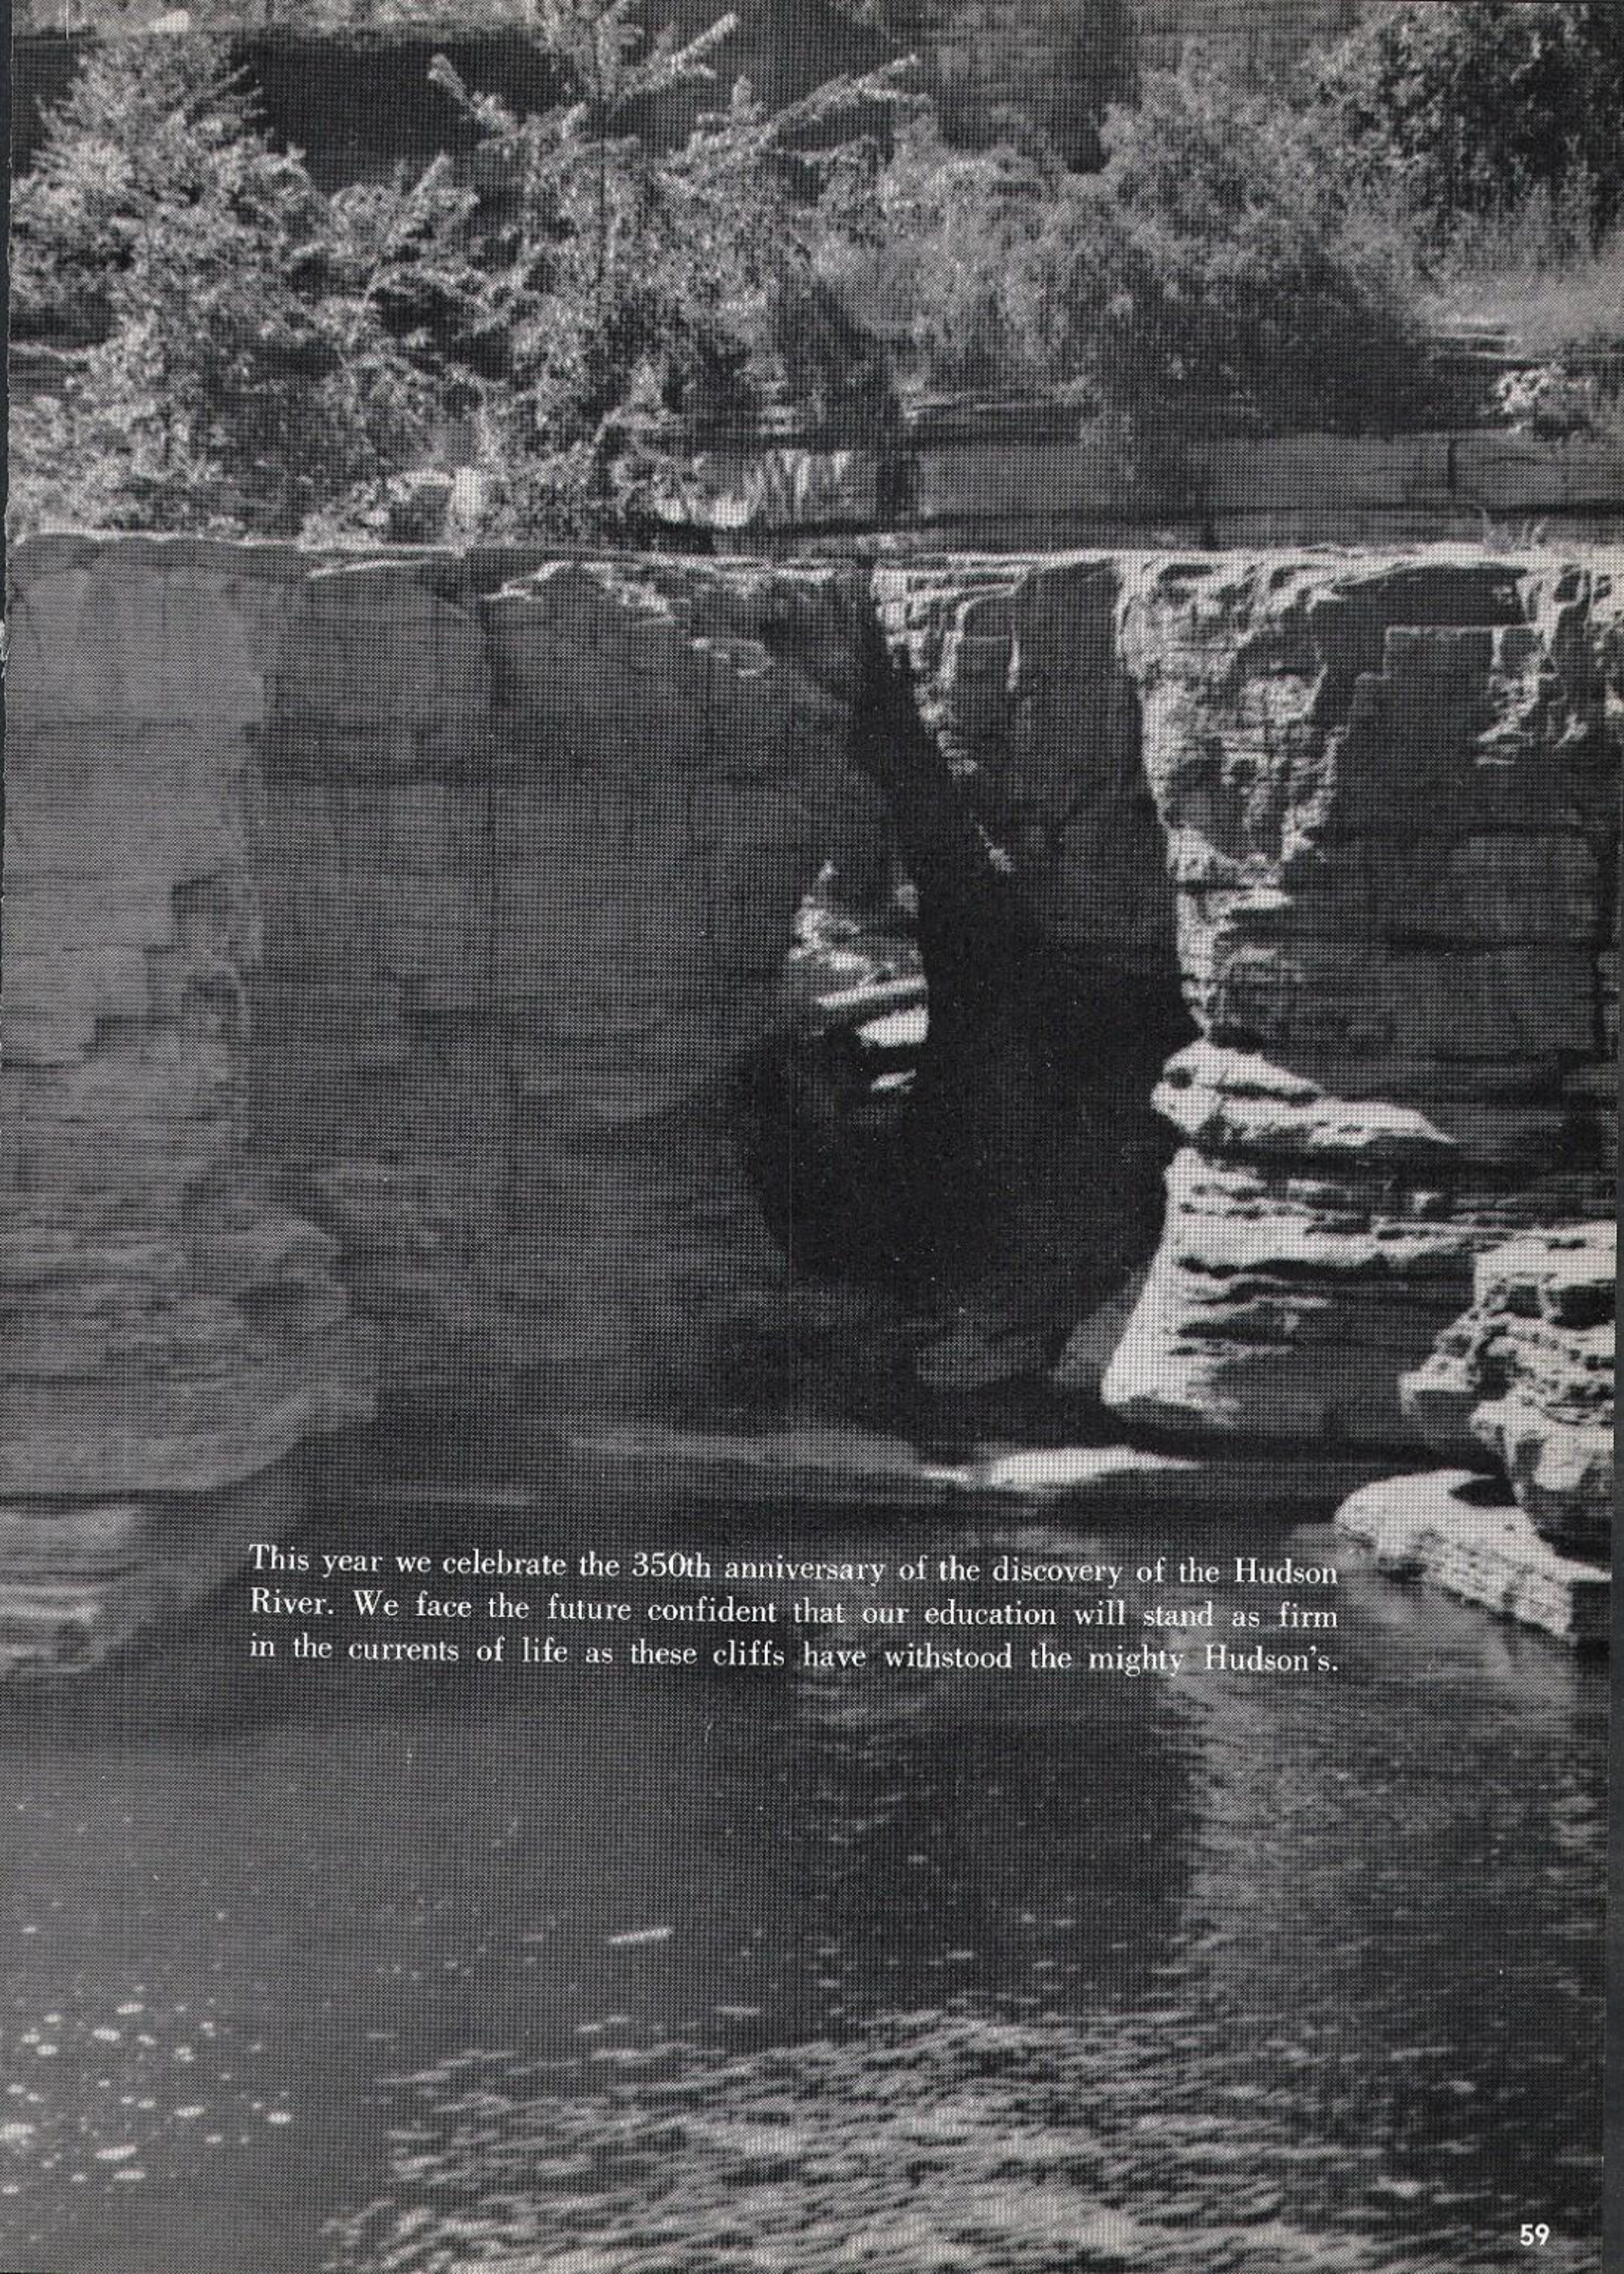
Curriculum



This year we celebrate the 350th anniversary of the discovery of the Hudson River. We face the future confident that our education will stand as firm in the currents of life as these cliffs have withstood the mighty Hudson's.

It's always more fun to work together in the Library, isn't it, Ann and John?

"Voici la carte de France," say Mike and Bill in French II class.

Marilyn's on the spot in Mr. Miller's American History I class.

Don't you agree with *Word Wealth*, Bruce?

Anna serves as Miss Washburn's model.

Everyone seems very interested in Mr. Sabo's display.

The camera didn't interrupt these industrious students!

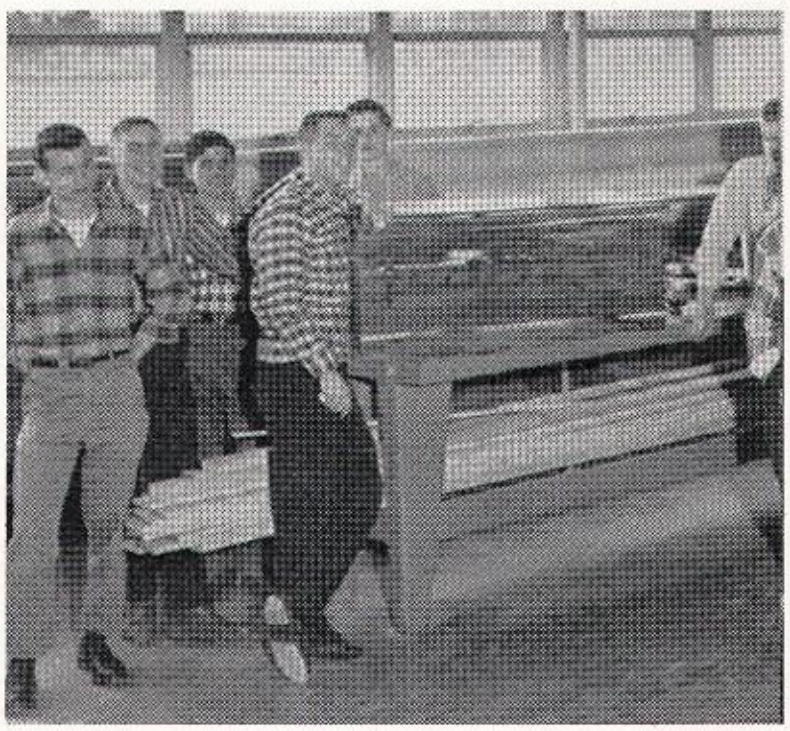
Miss Baker doesn't have everyone's attention, does she, Marsha?

The class anxiously awaits Walt's diagnosis. Is it breathing?

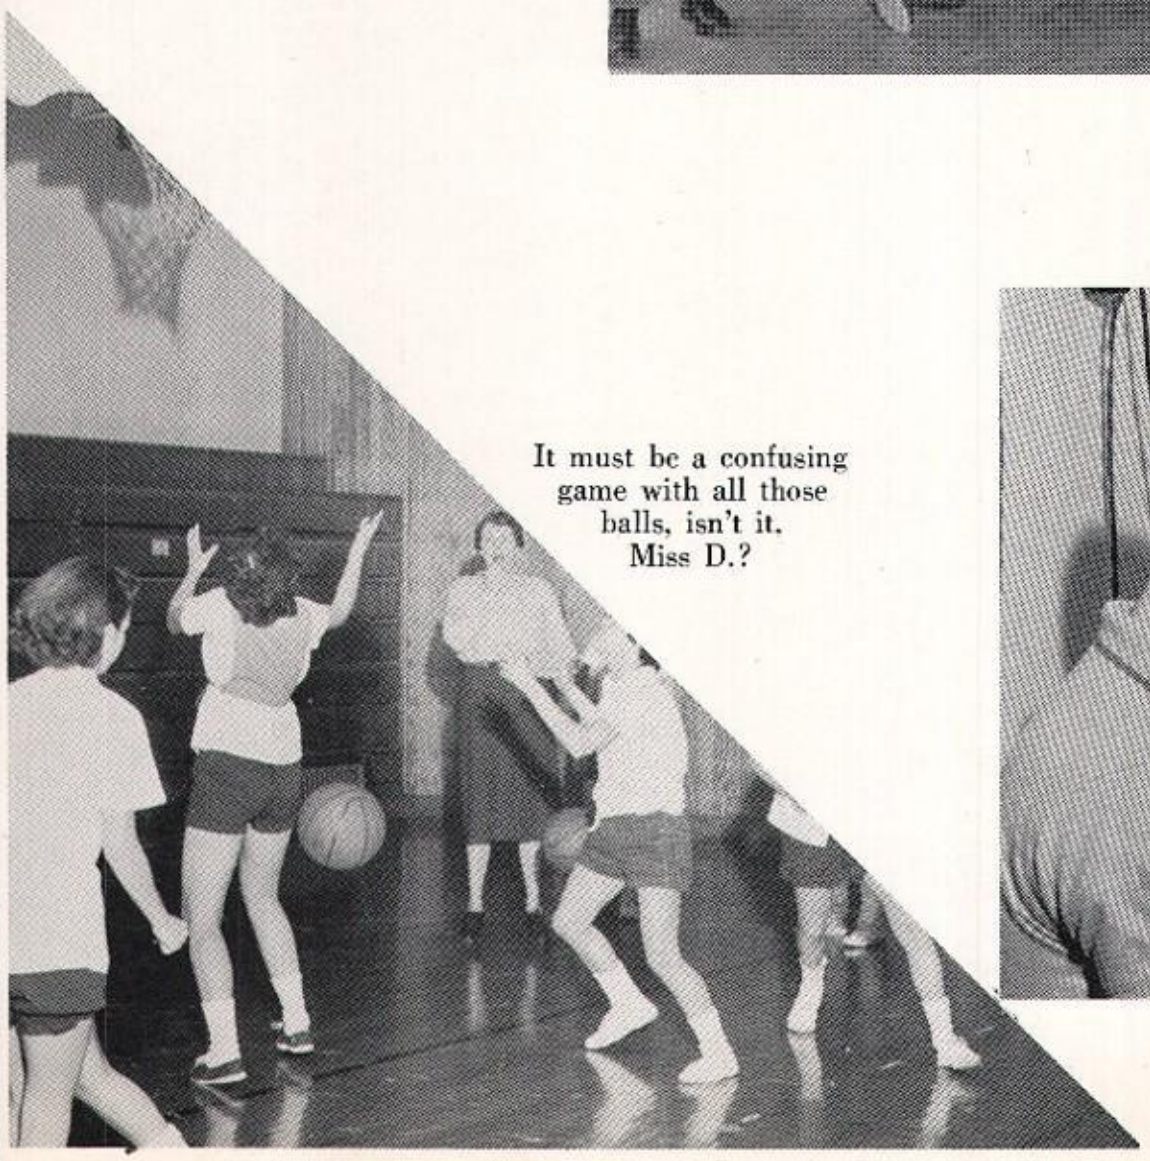
China must be doing good work today.

Mrs. Storey gives her helpful advice.

Too many cooks spoil the broth!!



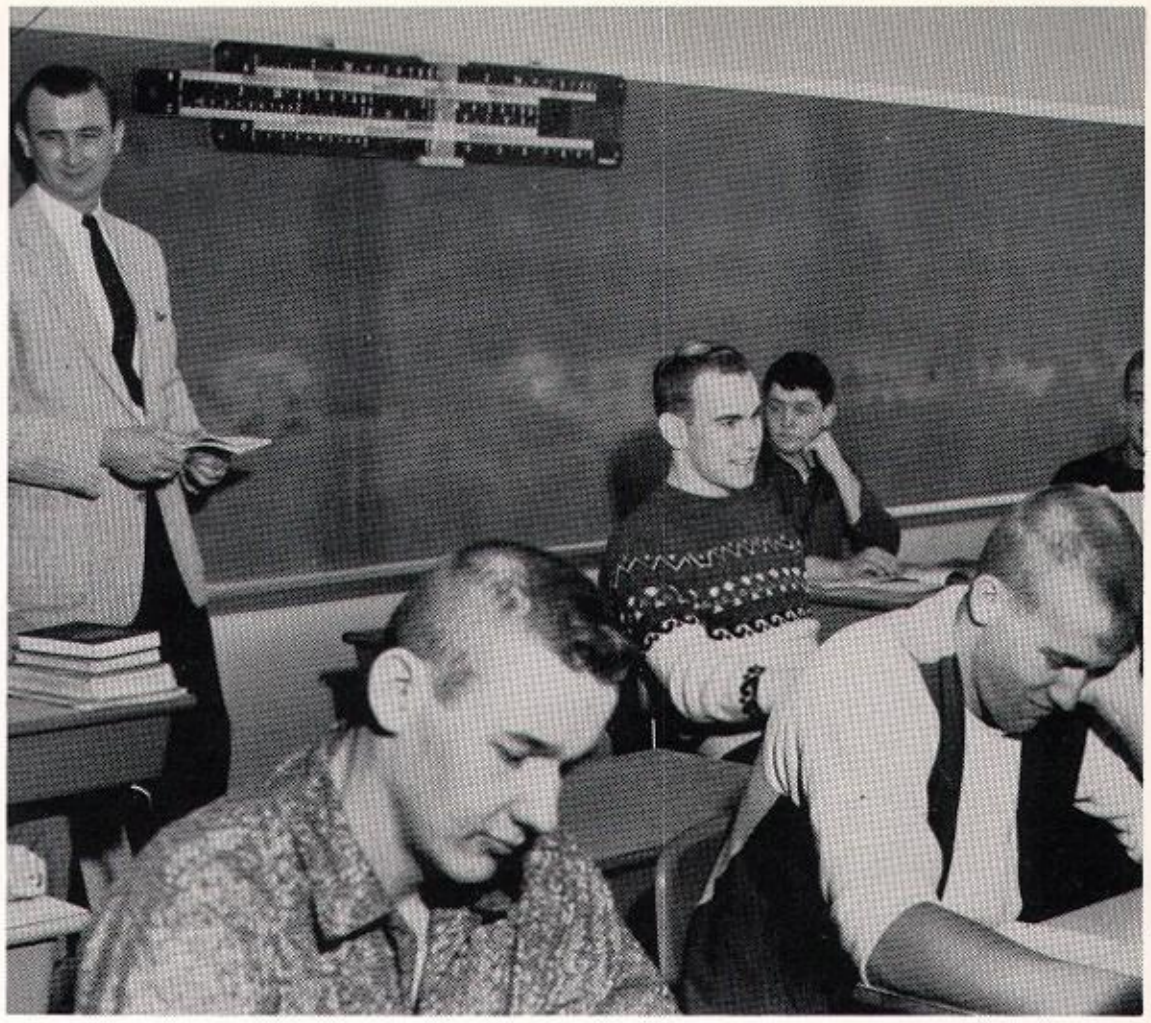
Gary's Hope Chest is the envy of every girl.



It must be a confusing game with all those balls, isn't it, Miss D.?

Mr. Morano lends Art his helping hand.

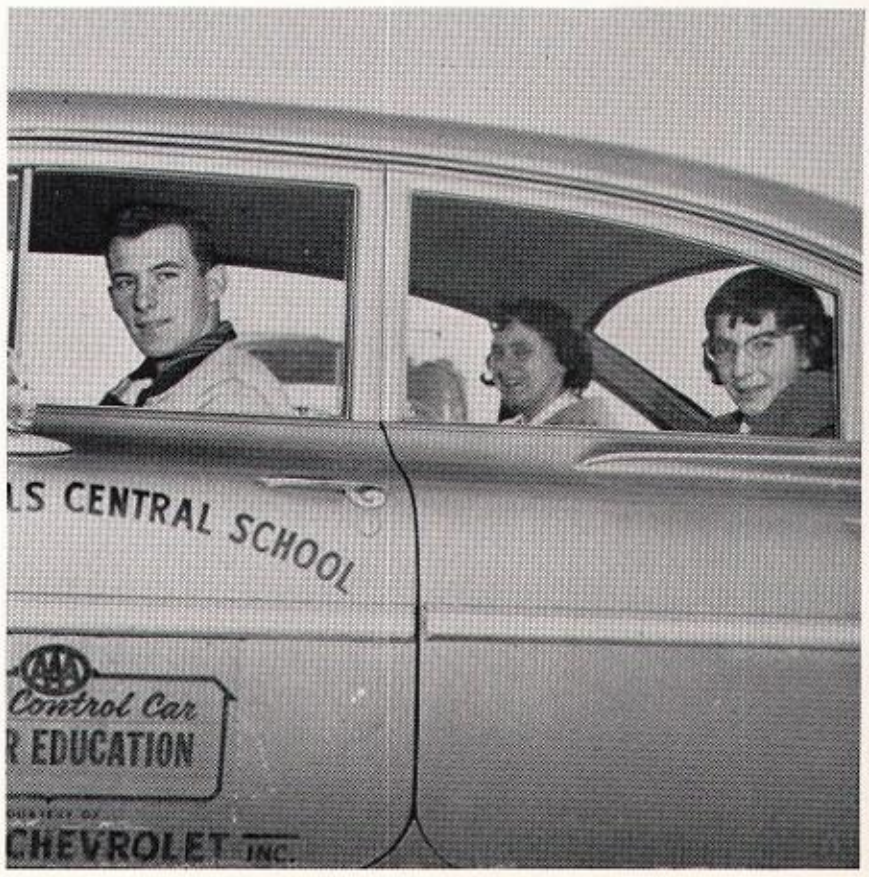
Our future secretaries.



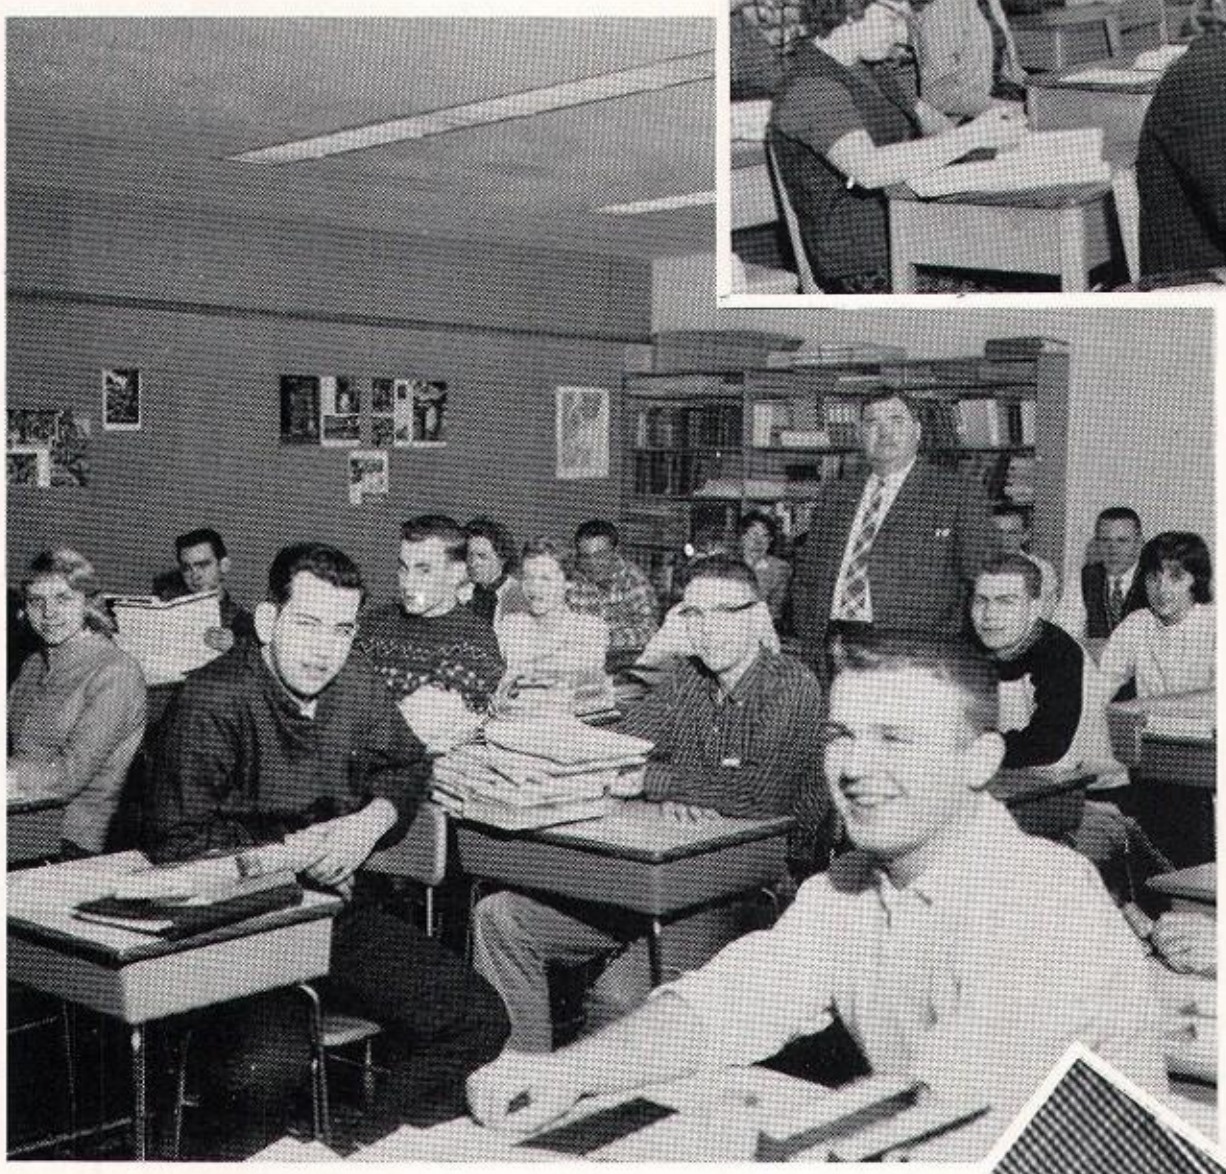
A penny for your thoughts, Tony!

It's a pretty hard test, isn't it, Betty!

How many points off today, Harold?



Judy looks bored.



Mr. Kelly has his smiling seniors well under control.

Watch the shorts, Tom!

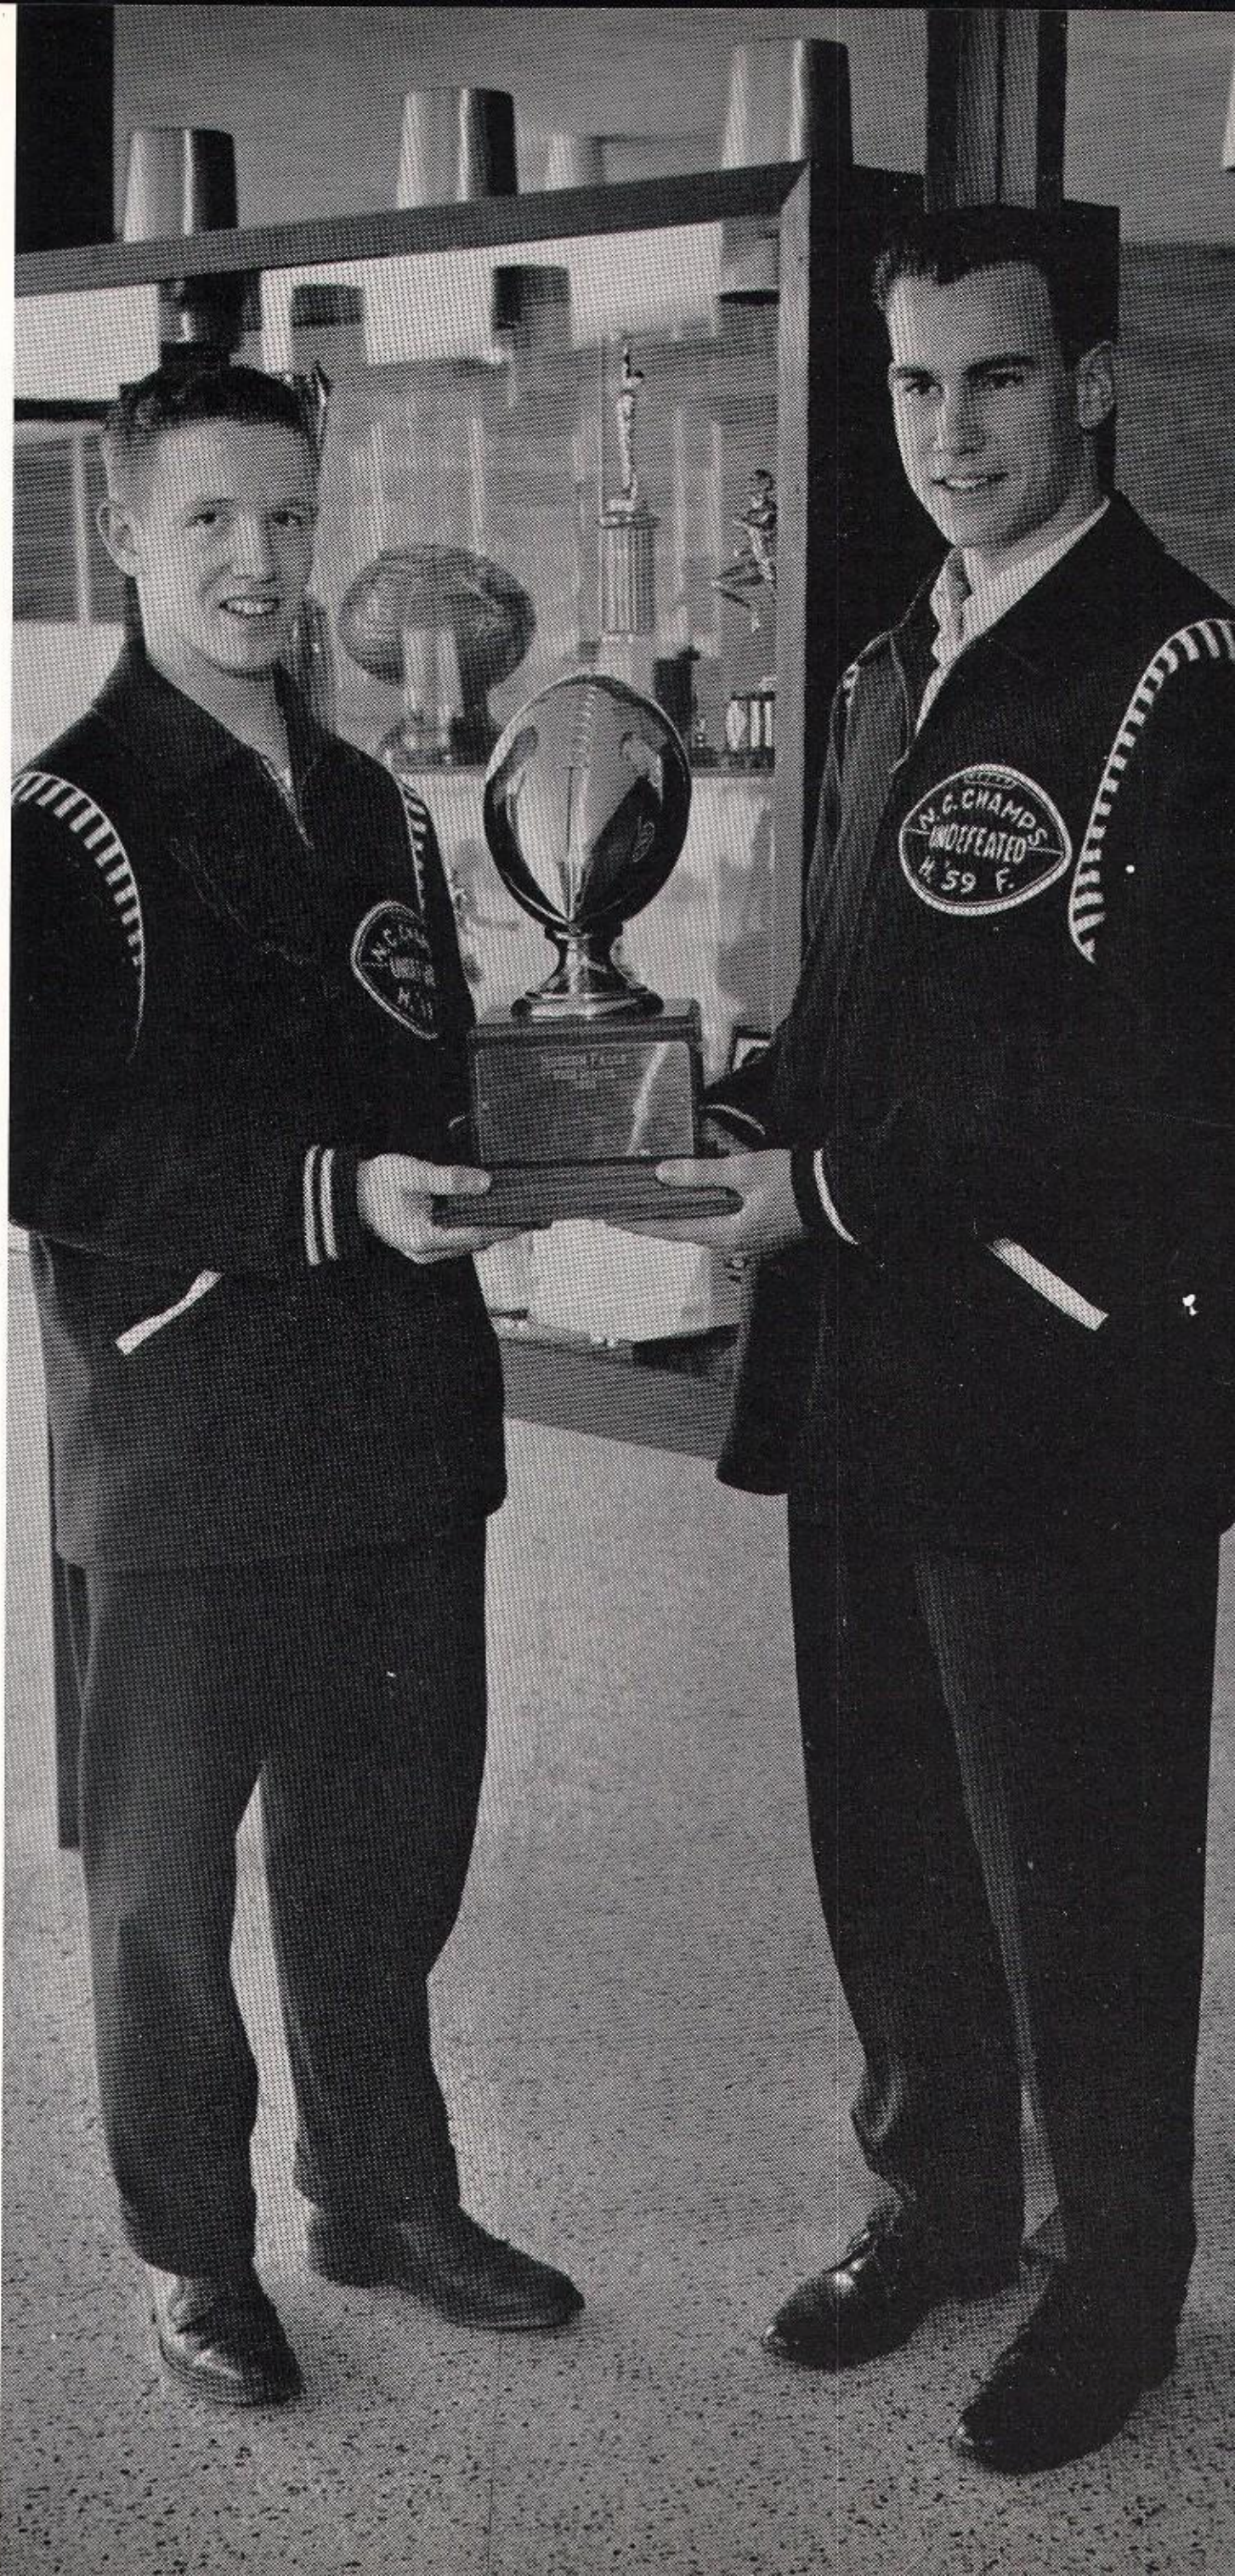
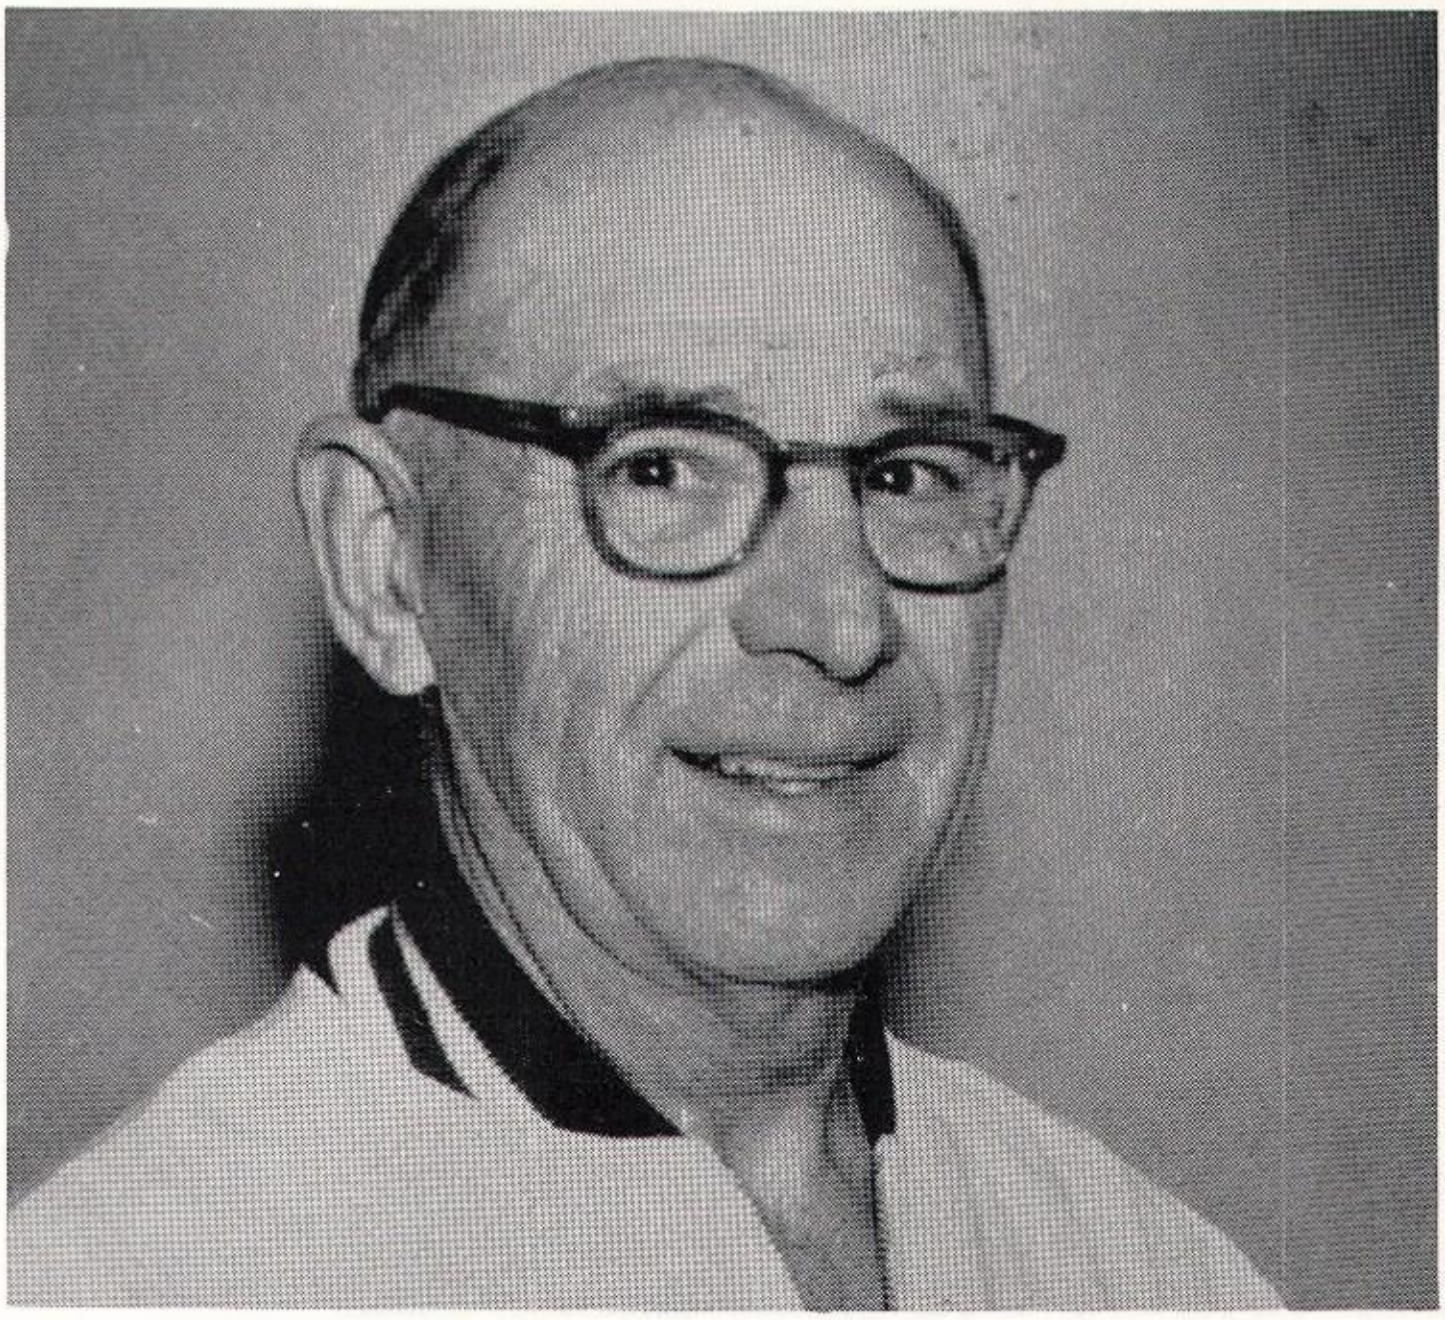
Sports



Gliding down the river of life we learn the need for good sportsmanship and teamwork in addition to our academic pursuits.



COACH HEIDORF

At the beginning of our section on sports, the Class of 1960 would like to extend our sincerest congratulations to Coach Elmer Heidorf. The dean of all area coaches, Coach Heidorf was recently honored by being chosen "Sportsman of the year" by the Charles Gilman B'nai B'rith Lodge of Glens Falls. This honor is in recognition of his outstanding contribution to the progress of sports in this area. A banquet was given in honor of our coach, and a tremendous star-studded Sports Night was held in the Paramount Theatre. Here in the presence of such famous people as Mel Allen—The voice of the Yankees, Ben Schwartzwalder—College football Coach of the year, Charlie Conerly—Pro football Player of the year, Patty Berg —top woman golfer, and Hy Rosen—Sports cartoonist for the Albany Times Union, Coach Heidorf received a plaque.

Coach Heidorf, who came to Hudson Falls thirty-five years ago, will be best remembered by us and by all area schools as a true sportsman. His greatest lesson to teams is—win if you can, but always play like gentlemen.

A pre-season newspaper account called the Hudson Falls Tigers "the team to beat" in the 1959 Northern Conference football race. This seemed an impossible challenge at the time, but proved to be the spur that was needed to carry the team to victory.

Football practice started during a sweltering week in early September with about sixty boys answering the first call. By the end of the first week it was evident which boys had the makings of sturdy football players. After successful scrimmages against Port Henry and Fort Edward, Hudson was ready to roll.

The first scheduled game was at Ticonderoga. After the long ride, the team completely outplayed their opponents and won by a 19-0 score. The following week the squad traveled to Corinth for a night game. At Corinth a surprisingly stubborn defensive game was played, but our forces were ready for the occasion and won 14-0. A rock ribbed defense, along with a seventy yard touchdown by Terry Turner stood out for the Tigers. As the victory wagon began to roll the team next smothered Whitehall 40-0 and Granville 40-7. In both games the passing of Bob Pratt and the running of George Mayotte spearheaded the offense, while the defensive line of Neff, Bardin, Fitzgerald, Henderson and Bob Carpenter kept our foes from the goal line.

As the momentum of the schedule picked up, the team prepared for the always tough St. Mary's game. Playing before a capacity crowd the Tigers once more were victorious, this time by an 18-6 margin. Defense again sparkled in this key win. The next week South High was defeated 29-0 by the rampaging Tigers. Pratt's passing to ends Fred Ross and Jim Carpenter was sharp; the fine defensive work of Butterfield, VanAernem, Cronkhite, and Lathem also stood out. Glens Falls was the last hurdle to overcome, and the team's spirit soared to a new peak. The Tigers hadn't beaten Glens Falls in seven years—this was the game to win. The final score of this special Armistice Day game was 38-0 in favor of Hudson Falls, and the Tigers were undefeated Northern Conference Champs! Again Bob Pratt, behind the excellent protection of the offensive line led by Pete Marine, was terrific with his passes; but Turner and Mayotte also sparkled by scoring five touchdowns between them. The defensive team led by an alert secondary of Bob VanAernem, Bill Butterfield, Fred Ross and Jim Carpenter was magnificent in holding the Glens Falls Indians within their own fifth yard line. This was a fitting finish to a tremendous season.

Although a fine team effort was necessary, everyone must realize that a large part of the credit belongs to the team coaches. Head Coach Heidorf, with his assistant coaches Luciano, Jeffries, Young, Chickanis, and Schaefer did an excellent job in molding this successful team. Coach Jeffries, a comparative newcomer to our coaching staff, was of great help in directing the team. A fine athlete himself, Coach Jeffries instilled a fighting spirit that was necessary if champions were to be made. This spirit and will to win carried the team over many difficult problems.

At the close of the season team members and coaches were the guests of honor at a banquet put on by the Hudson Falls Athletic Association. At the banquet Coach Richard Lyons of Ithaca College was the main speaker. The Athletic Association presented beautiful championship jackets to each of the varsity players and coaches as a reward for a job well done.

The 1959 football season was the most successful that Hudson Falls has had in twelve years, and possibly the most successful in our school's long history. With excellent coaching, plus fine teamwork this team developed into one that had many people saying that this was the best football team ever to come out of the Northern Conference.

This year, the basketball forces of Coach Tony Luciano started the season with a squad of six veterans, and seven newcomers to varsity competition. Missing from last season's runner-up team are last year's two high scorers, plus a third starter. With regulars Bob Pratt and Fred Ross returning to lead the attack, the Tigers practiced hard for their season's opener on November 20th.

The team started the season by splitting two non-league games, defeating Warrensburg, and losing to Mechanicville in a close game. The next week in the team's first conference encounter they defeated Granville 53-51 in an overtime thriller. Bill Butterfield was the hero with a sudden death basket that brought victory. After that, the team defeated Corinth and South High by large margins, but fell again to Mechanicville, this time by 58-48 score. Continuing our winning ways in the conference, the Tigers easily defeated Fort Edward and Whitehall on sucessive weeks. At this point our team possessed a 5-0 record in conference action, this was identical to the record of our next foe, Glens Falls. Playing before a full house in our gym, the team was defeated by a score of 49-40 in a very well played game. Following this disappointment, St. Mary's and Granville were defeated by scores of 59-43 and 69-45 respectively. Glens Falls was next, and this time the Tigers fell by a 46-38 score. Picking up again the team defeated Warrensburg, Corinth, South High and Fort Edward to bring our conference record to a respectable 12 wins and 2 defeats. With only two games remaining to be played on the 1959-1960 season, this year will definitely be a success as Hudson Falls will be solidly stationed in second place.

Our Junior Varsity team under the guidance of Coach Thomas Chickanis had a very sucessful season; they have lost only three games to date. The J. V.'s have shown signs of providing an abundance of talent for next basketball season.

The 1959 track season was one of outstanding achievement for our highly regarded squad. Competing in thirteen meets, the Tiger cindermen won nine, and were defeated only twice in dual competition. One of these losses was to powerful Linton High of Schenectady, the other to Granville. Highlights were impressive victories in the Northern Conference Meet, and in the Washington County Championship Meet. The team finished the season by capturing third place in the Class B State Sectionals at Union College.

Although many gaps have been left by last year's graduating class, our track forces, under Coach Tony Luciano, are looking forward to another fine year. With the return of veteran seniors Bob Carpenter, Evan Neff, Larry Thayer and Dave Barber, plus a fine crop of underclassmen, our chances seem excellent of improving on last year's record.

After a dismal season in 1959, our baseball team is looking forward to improving on our record of last year. This year under Coach Chickanis, our veteran squad should be in the running for league honors.

Last season we finished with a record of four wins and six defeats. We started the season in brilliant fashion by winning our first three games. In the first game at Fort Edward we defeated the highly regarded Flying Forts, 9-2. The next week, Whitehall fell 6-4 as Don Cronkhite hurled a one-hitter. In continuing our winning ways we next took on exciting 3-2 game from Corinth. From then on we all of our games except the second Whitehall game. In the game at Whitehall, star lefthanded pitcher Dave Barber pitched a sparkling no-hitter to highlight the season.
assistance to the Varsity as well as Junior Varsity.

This season, although the loss of seniors Jim Connelly, Dick Chadwick, and Dave Mayott will hurt, our record should show a definite improvement. Coach Chickanis will be aided this year by Coach Young who will handle the junior varsity. Coach Young, an experienced baseball man, will be of valuable assistance to the Varsity as well as Junior Varsity.

Ken Nassivera shows the correct batting stance.

Tennis

Last year the net men of Hudson Falls compiled a fine record of 5 wins and 2 defeats under the expert coaching of Mr. Glen Thompson.

The team captured two wins apiece from both Schuylerville and South Glens Falls, and split a two match series with Glens Falls. As a result of this, Hudson Falls and Glens Falls ended in a two way tie for league honors. In a post-season playoff, the team from Glens Falls captured the title after a hard fought and well played match. Hudson Falls, minus the services of injured star Gary Bigelow, played well and deserves credit for a commendable showing.

In the area singles and doubles tournament held at Glens Falls, Hudson Falls gained sweet revenge by walking off the courts with both trophies. Bigelow, back in top form, captured the singles trophy, and then teamed with John Huckle to cop the doubles championship.

John Huckle shows top form.

This year the netmen of Hudson Falls will have two new courts ready for action. Also this year a tennis conference will be established. This conference will be made up of teams representing Hudson Falls High, Glens Falls High, South Glens Falls High, Corinth High, and possibly teams from Schuylerville High and St. Mary's Academy.

Our returning veterans are looking forward to participating in this new league, and we must be considered as a strong contender for league honors.

The Junior Prom

Congratulations, Ann and Evan!

May 1, 1959, was a date that we had looked forward to for months. Our Junior Prom, with the theme "Fantasia" was held that night. Upon entering the gym, our attention was drawn to the platform with a huge pink flower hung from the sky behind the lacy white throne. The Enchanted Forest, Cinderella's Pumpkin Coach and a huge storybook carried out the theme. Chris Discenza's orchestra provided the music.

The chaperones' corner was gaily decorated with flower-adorned bird cages. We were delighted to have Mr. and Mrs. George Bigelow, Mr. and Mrs. Donald Brayman, Mrs. Louise Chartier, Miss Mae Dolan, Miss Jane-Marie Mastrianni, Mr. and Mrs. Paul Miller, Mr. and Mrs. Irving Perkins, Mr. and Mrs. Mitchell Solenski, Mr. and Mrs. David Varney and Mr. and Mrs. Thomas Yole as our chaperones.

The Coronation at 10:30 was the highlight of the evening. The attendants took their places by the throne to the strains of "Some Enchanted Evening." Kathy Mathews, escorted by Ken Nassivera, wore an aqua gown. Linda Nassivera, escorted by Anthony Piscitelli, wore a sea foam blue gown. Cathie Ninelsing, gowned in pink, was escorted by Peter Clear. Karen Gray, escorted by Larry Varney, wore an orchid net gown. Margaret Bombard, escorted by Tony Catone, wore an aqua gown. Noreen Mahan wore a pale yellow gown and was escorted by Don Cronkhite. Linda McKernon, wearing a pale blue gown, was escorted by George Mayotte. Sue Malan, escorted by Bob Cronin, wore a coral gown. Everyone was delighted to see Ann Buterfield and Evan Neff crowned as the new monarchs by Marie Michelucci and Bill Collins, last year's queen and king. Queen Ann's gown was line chiffon, and her crown was white satin with tiny pink roses. The queen and her attendants wore floor-length gowns and carried fans with a spray of sweetheart roses. Miss Diane Yole and Matthew Malan served a crownbearers.

After the Coronation, Queen Ann and King Evan led the spectacular Grand March, the first of its kind to be held in our school. These things, and many others, make our Junior Prom one to be remembered.

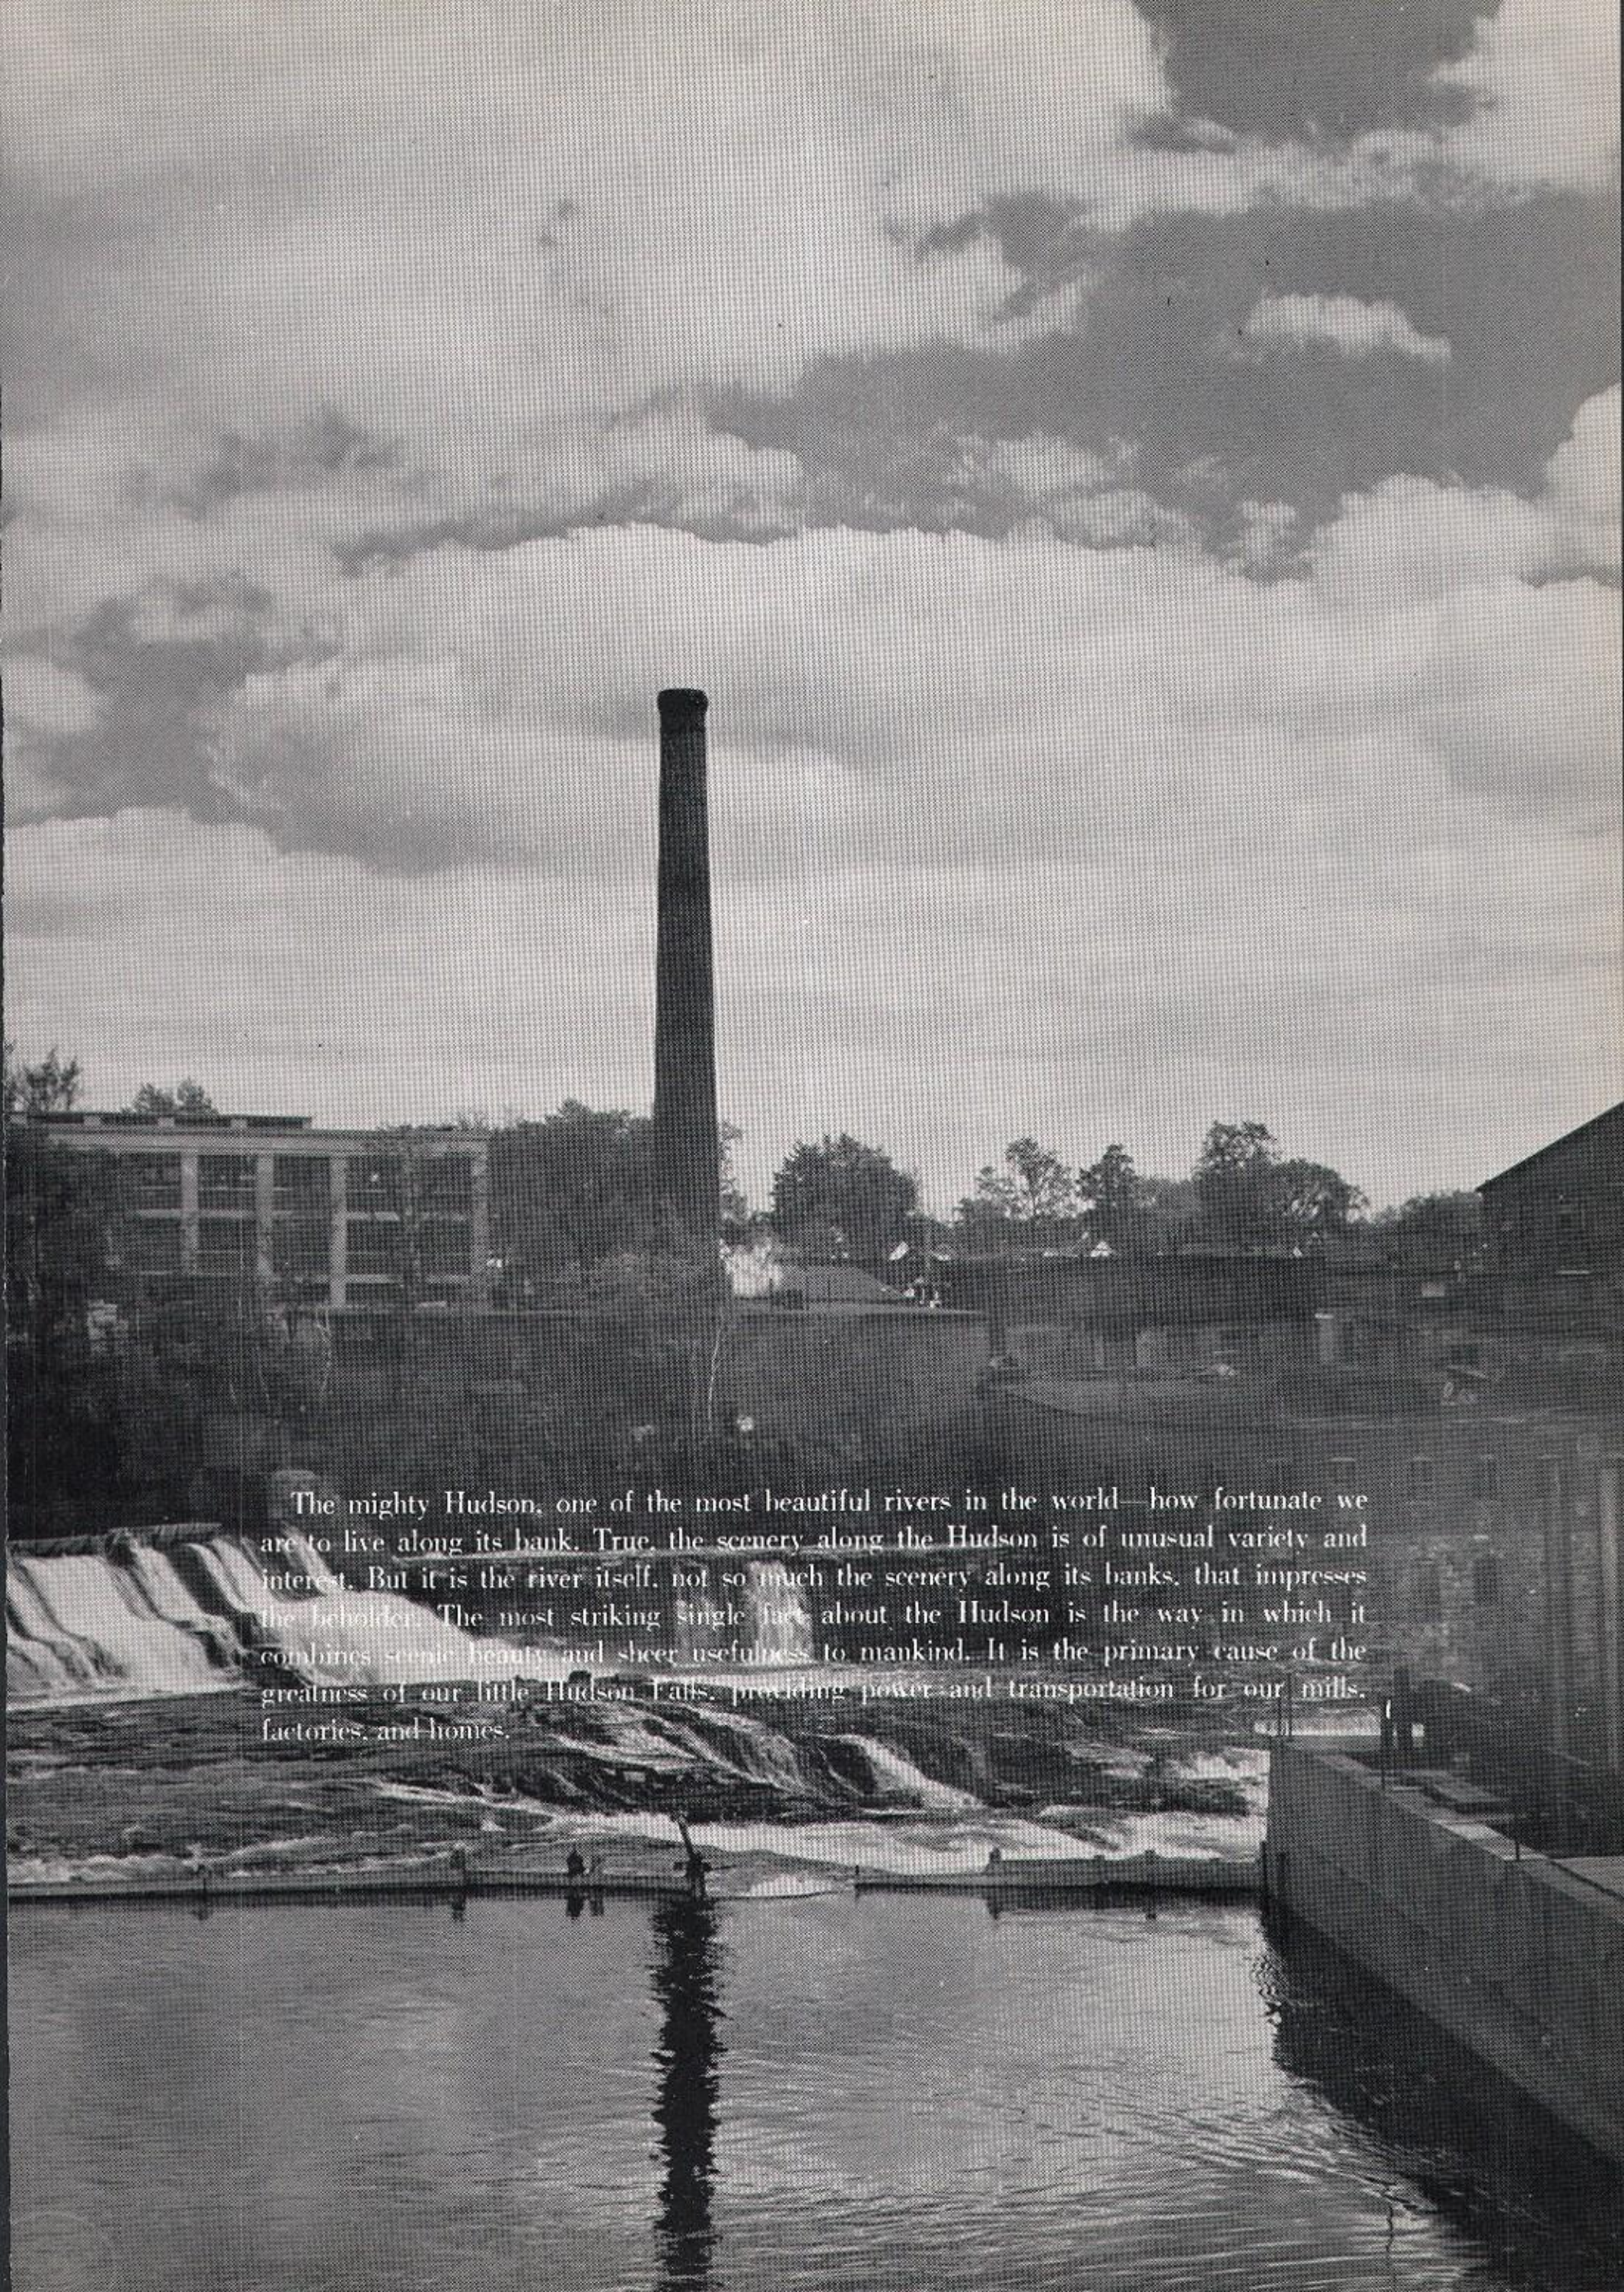
Hudson's Waterpower Brings Business



The mighty Hudson, one of the most beautiful rivers in the world—how fortunate we are to live along its bank. True, the scenery along the Hudson is of unusual variety and interest. But it is the river itself, not so much the scenery along its banks, that impresses the beholder. The most striking single fact about the Hudson is the way in which it combines scenic beauty and sheer usefulness to mankind. It is the primary cause of the greatness of our little Hudson Falls, providing power and transportation for our mills, factories, and homes.

Members of high school teams were treated to dinner and a talk by Charles Baker, a former star athlete at H.F.H.S., and now a successful coach.

The cheerleaders came too.

This page was made possible by the generosity of the attorneys, the dentists and the physicians of the village of Hudson Falls.
